BAMB – Black Angus Meat Bundle

The BAMB (Black Angus Meat Bundle) is our newest offering!

Here's a way to try a variety of cuts of meat from our 100% Black Angus herd at Eagle, Wisconsin, for a reasonable price.

The BAMB consists of a total of (20+) lbs of 100% Black Angus Meat as follows:

- (5-6) steaks, assorted
- (1) large roast
- (10) lbs. hamburger

If you have a small freezer or you have a small family, the BAMB is a great little bundle of beef for your dinner table!

The BAMB also makes a great gift for that hard-to-buy for person! At Christmastime, Birthdays, Special Occasions, for your folks, this BAMB gift is always very appreciated. It sure beats the usual nuts and candy gifts, and it makes a lot of family dinners a great treat!

Keep in mind that Royal Angus Farms LLC also sells quarters, halves, or whole steers.
